

Operative G T Purdy

Nov. 2nd, 1926

RE: ALFRED BUTLER, taxi driver who drove Mazie Clemmons to the Hall home Sept. 16th and 17th, who is supposed to corroborate Miss Clemmons in her story that she saw Willie Stevens take letters in packages from the Hall household.

Operative interviewed Mr. Butler at his taxi stand at the Pennsylvania Railroad, who stated that on Saturday after the murders he was engaged by Miss Clemmons to drive her around and on one of her trips he drove her to the Hall home and he saw Henry Stevens leaving with some packages. Miss Clemmons went into the Hall house. He further states that on Sunday he again drove her to the Hall house and again saw Henry Stevens leaving with some packages.

He advised that he has received a subpoena and is complaining because he will lose a lot of time and money by going to Somerville to testify and stated that he did not believe his testimony was of any value.

Respectfully submitted:
